## 1. Key Information Summary

### What is this?

This is an offer of the Travelex Money Card which is a multi-currency, reloadable, contactless-enabled, prepaid payment facility. The Travelex Money Card is a debt security issued by EML Payment Solutions Limited ("EML"). By loading money onto the Travelex Money Card you give EML money, and in return EML promises to make that money available to you when you use your Card. If EML runs into financial trouble, you might lose some or all of the money you have loaded onto your Travelex Money Card.

### About EML

EML is a company incorporated in Australia (Australian Company Number 131 436 532) and registered in New Zealand as an overseas company under the Companies Act 1993 (company number 8079483). EML is a registered financial services provider in New Zealand under the Financial Service Providers (Registration and Dispute Resolution) Act 2008 (financial service provider number FSP1000006). EML has been carrying on business as a financial services provider since 2008 by issuing and processing single load and reloadable prepaid cards in Australia.

### Purpose of this offer

The Travelex Money Card is being offered to New Zealand residents to provide them with a means of managing their money. EML is offering the Travelex Money Card as part of its normal business activities.

### Key terms of the offer

<b>Description</b>	The Travelex Money Card is a multi-currency reloadable, contactless-enabled, prepaid payment facility (for travel, domestic and online use) that allows you to access money loaded onto your Travelex Money Card to make purchases and withdraw cash overseas and locally in New Zealand.
<b>Status</b>	Unsecured, unsubordinated debt securities.
<b>Who can apply</b>	To apply for a Travelex Money Card you must have a residential address in New Zealand and meet the customer identification requirements set out in the Terms and Conditions.
<b>No Interest</b>	You will not earn any interest on money you have loaded onto your Travelex Money Card.
<b>Term</b>	Your Travelex Money Card continues until you ask EML to close it and to pay the balance (less any fees) to you, or if the balance on your Travelex Money Card is nil and your Card has expired. Your Card is active for a period of five (5) years and valid until the date shown on the front of your Card. After the expiry date, you will not be able to use your Card to access money loaded onto your Travelex Money Card.  However, you can request a replacement Card and once this has been sent to you and you activate this Card, you can transfer the balance to that Card to access money loaded onto your Travelex Money Card.  You can also Cash Out the balance on your Travelex Money Card at any time.
<b>Fees, charges and further payments</b>	Fees and charges will apply. Fees may include administrative fees, currency conversion fees, inactivity fees, fees charged by merchants or ATM operators and fees relating to purchasing Cards, loading money onto your Travelex Money Card, withdrawing, transferring or spending money from your Travelex Money Card and closing your Travelex Money Card.

In the event your Travelex Money Card records a negative balance, in accordance with the Terms and Conditions you will be liable to pay to EML the amount required to restore your Travelex Money Card to a positive balance.

For more information, please refer to "Fees and charges" in section 5 of this PDS (Key features of the Travelex Money Card).

### No guarantee

The Travelex Money Card is not guaranteed by any person. EML is solely responsible for the repayment of your Travelex Money Card.

### How you can get your money out early

You can withdraw money loaded onto your Travelex Money Card at any time. Withdrawals may, subject to any applicable fee, be made from ATMs around the world displaying the Mastercard® acceptance mark (subject to any restrictions imposed by Mastercard in some countries or in relation to some merchants). You may close your Travelex Money Card at any time and have the balance (less any fees) deposited into your nominated NZD bank account in New Zealand. The positive balance available to you to withdraw or have deposited into your nominated account will not include any uncancelled, pre-authorised or 'held' amounts, although these sums will be made available to withdraw or have deposited into your nominated account once the pre-authorisation has been cancelled or the 'held' amounts released and the relevant amounts re-credited to your Travelex Money Card. The Travelex Money Card cannot be sold to anyone else.

### How Travelex Money Card ranks for repayment

On a liquidation of EML, your Travelex Money Card will rank equally with other unsubordinated and unsecured obligations of EML. This means that on a liquidation of EML, your rights and claims as a holder of a Travelex Money Card will rank:

- after all secured creditors (if any) and creditors preferred by law;
- equally with other holders of a Travelex Money Card and holders of equal ranking obligations; and
- ahead of holders of subordinated debt (if any – as at the date of this PDS, there are none) and shares in EML.

To protect holders, EML is required to hold an amount sufficient to discharge its liabilities to holders on trust for the benefit of the holders. It has established the Trust Account with ANZ Bank New Zealand Limited for this purpose.

Further details, including a diagram illustrating how the Travelex Money Card would rank against EML's other liabilities on a liquidation of EML are set out in section 5 of this PDS (Key features of the Travelex Money Card).

### No security

The Travelex Money Card is an unsecured debt security. The Travelex Money Card is not secured against any of the assets of EML or any other person.

### Where you can find EML's financial information

The financial position and performance of EML are essential to an assessment of EML's ability to meet its obligations under the Travelex Money Card. EML is not required to include financial information in this PDS because it is a continuous issue PDS. However, the required financial information can be viewed on the Travelex Money Card offer page on the Disclose register at [www.companiesoffice.govt.nz/disclose..](http://www.companiesoffice.govt.nz/disclose..)

### Key risks affecting this investment

Investments in debt securities have risks. A key risk is that EML does not meet its commitments to repay you (credit risk). Section 7 of this PDS (Risks of investing) discusses the main factors that give rise to the risk.

You should consider if the credit risk of these debt securities is suitable for you.

EML considers that the most significant risk factors relating to EML's creditworthiness are:

- **Failure of Trust Account arrangements:** EML has established a Trust Account in connection with the operation of its Mastercard branded prepaid cards business (including the Travelex Money Cards). The Trust Account arrangements are with ANZ Bank New Zealand Limited. If the Trust Account arrangements operate as intended, the amount held on trust for the benefit of holders of Mastercard branded prepaid cards issued by EML in New Zealand should always be sufficient to discharge EML's liabilities to those holders. However, if the Trust Account arrangements do not operate as intended (for instance, because less money is held on trust than is required, or the trust arrangements are not legally effective), and EML becomes insolvent, holders of the Travelex Money Card will not benefit from the Trust Account arrangements and their only recourse would be to claim as unsecured creditors in EML's liquidation along with all other creditors.
- **Failure of service providers:** EML's business operations are reliant on third parties providing a range of services to EML. If a third party failed to pay money to EML when due, that in turn could lead to EML being unable to meet its payment obligations, including to pay amounts into the Trust Account as described above.

This summary does not cover all of the risks of investing in the Travelex Money Card. You should also read section 5 of this PDS (Key features of the Travelex Money Card) and section 7 of this PDS (Risks of investing).

#### No credit rating

EML's creditworthiness has not been assessed by an approved rating agency. This means that EML has not received an independent opinion of its capability and willingness to repay its debts from an approved source.

#### What is the Travelex Money Card

The Travelex Money Card is a multi-currency reloadable, contactless-enabled, prepaid payment facility that can be used by you to obtain local currency from millions of Mastercard® ATMs around the world, and to pay directly for goods and services at millions of shops, restaurants, hotels and other locations displaying the Mastercard acceptance mark. The Card can also be used online at merchants that accept Mastercard. Although the Mastercard acceptance mark may be displayed, in some countries or in relation to some merchants the Travelex Money Card may not operate due to restrictions imposed by Mastercard. Details of the countries or merchants in which the Card will not operate are available at [www.travelex.co.nz](http://www.travelex.co.nz).

There are multiple currencies available on your Travelex Money Card which you can manage online 24/7 via "My Account" at [www.travelex.co.nz](http://www.travelex.co.nz).

### **What is EML's relationship with Mastercard and Mastercard Prepaid Management Services?**

EML is the issuer of the Travelex Money Card and is a member of the Mastercard payment scheme. Mastercard is responsible for the settlement of transactions using the Travelex Money Card, but Mastercard may outsource these functions to service providers.

Mastercard Prepaid Management Services distributes Cards and supplies the processing services for Cards, including services and systems necessary to support the issue of, and the processing of all transactions using, Cards. Mastercard Prepaid Management Services is part of the Mastercard group of companies.

### **Key benefits of the Travelex Money Card**

#### **Convenience**

Your Travelex Money Card is a convenient way for you to take multiple currencies overseas, enabling you to easily manage your money while away from home. You can use it online or to pay directly for goods and services at Mastercard® merchants, or withdraw local currency from any ATM displaying the Mastercard acceptance mark. With the Travelex Money Card you do not need to worry about bank opening hours or lengthy queues, you can access your funds instantly, at any time of the day or night.

The Travelex Money Card cannot be used in some countries or geographical regions where restrictions or sanctions are in place, or as means of pre-authorising expenditure with some businesses (such as hotels, cruise lines and car rental companies). EML and Mastercard Prepaid Management Services cannot control when an ATM or POS terminal is out of operation for maintenance or is faulty or if a merchant chooses not to accept the Travelex Money Card. In these cases, your Card may not function properly and may be declined. If other exclusions apply to the use of the Travelex Money Card they will be notified to you from time to time at [www.travelex.co.nz](http://www.travelex.co.nz).

The currencies available in respect of your Travelex Money Card may vary from time to time and not all currencies may be available at all times.

Before making a decision to acquire the Travelex Money Card, please check with the Distribution Outlet or on [www.travelex.co.nz](http://www.travelex.co.nz) for details of the available currencies. Please visit [www.travelex.co.nz/stores](http://www.travelex.co.nz/stores) for a list of current Distribution Outlets.

Your Travelex Money Card can be managed online at [www.travelex.co.nz](http://www.travelex.co.nz) – from here you can conveniently access your Travelex Money Card information at any time, including your balances, allocate your funds across different currencies, and check your transaction history. There will be no charge for electronic statements through [www.travelex.co.nz](http://www.travelex.co.nz). You can also use this website to locate the nearest Mastercard ATM.

#### **Easy to Budget**

The Travelex Money Card enables you to load both foreign currencies and New Zealand dollars onto the one payment facility and access this with your Card. This means you can exchange your New Zealand dollars into one or more currencies which you may require before you travel. When travelling you then know exactly how much you have to spend in the relevant currency. As your Travelex Money Card is a prepaid payment facility, you can only access and spend the value that you have loaded onto your Travelex Money Card. It is not a credit card.

Your Travelex Money Card can only be used if it is in a positive balance. In the event that the balance of your Travelex Money Card records a negative balance, in accordance with the Terms and Conditions you will be liable to pay to EML the amount required to restore your Travelex Money Card to a positive balance.

If you want to use your Travelex Money Card again, you can load more funds onto it for your next trip. If you have money left on your Travelex Money Card at the end of your travels, you can obtain a refund of your remaining balance (a Cash Out fee will apply – please see "Fees and charges" below).

#### **Reloadable**

Your Travelex Money Card can be reloaded as many times as you want within the applicable limits (set out under "Limits" below), so you can keep your Travelex Money Card and your Card for the next time you travel.

We are constantly looking to provide new reload options and more convenient ways of reloading. Please check online at [www.travelex.co.nz](http://www.travelex.co.nz) for details of any additional reload methods made available from time to time.

Your Travelex Money Card can be reloaded at any participating Distribution Outlet in New Zealand, when you present your valid photo ID. Please visit [www.travelex.co.nz/stores](http://www.travelex.co.nz/stores) for a list of current Distribution Outlets. You can also load additional funds onto your Travelex Money Card by using a Bill Payment as detailed below or via [www.travelex.co.nz](http://www.travelex.co.nz). Please visit [www.travelex.co.nz](http://www.travelex.co.nz) for more details.

#### **Contactless**

Your Card is Mastercard contactless enabled. Mastercard contactless is the faster way to pay for purchases under the applicable transaction limit without a signature or PIN. Just tap your Card against the reader and go. For more information, please visit [www.mastercard.com/contactless](http://www.mastercard.com/contactless). Transaction limits for contactless transactions may change from time to time. For transactions above the limit, additional authorisation is required. Different transaction limits apply in different countries.

#### **Global Emergency Assistance**

Should you lose your Card or if it has been stolen while you are away you may be eligible to receive an emergency cash disbursement (within certain limits set by Mastercard Prepaid Management Services from time to time).

To access emergency assistance simply call the Global Emergency Assistance helpline on 0800 444 691 (local call) or +44 207 649 9404 (from outside New Zealand) (call charges may apply).

Once a customer service representative has established that you have sufficient means of payment (through the availability of money on your Travelex Money Card) EML will arrange for money to be made available to you at a convenient disbursement location. Disbursement locations include Western Union, MoneyGram and other Mastercard Prepaid Management Services approved agent locations. You will be advised of the relevant address details, telephone number and opening hours of the nearest agent location.

#### **Security features**

For additional security your Card is chip and personal identification number ("PIN") protected and has a signature panel on the reverse of your Card. If your Card is lost or stolen or you have forgotten your PIN you can call the Global Emergency Assistance helpline set out above for immediate assistance (call charges may apply). These numbers are also set out in the Terms and Conditions, online at [www.travelex.co.nz](http://www.travelex.co.nz) and on the reverse of your Card. ATM withdrawals will always require a PIN.

#### **Important information relevant to Travelex Money Card**

##### **Security**

It is important that you safeguard your Travelex Money Card and your Card details, your PIN and any other passwords, equipment or software required for your operation of your Travelex Money Card and your Card. If you do not, then you may be liable for unauthorised transactions (i.e. where a transaction is carried out without your knowledge and consent) and other amounts as explained further in the Terms and Conditions. For POS transactions, unless the transaction is a Mastercard contactless-enabled transaction under the applicable transaction limit, you will be asked to enter your PIN or provide a signature to confirm the transaction.

In certain circumstances, EML's liability in respect of unauthorised transactions is limited, meaning that you may still be liable for the transaction. In some circumstances EML may not be liable for losses caused by equipment or system failure (including consequential losses), meaning that you may still be liable for the transaction and consequential losses. Further details on the limits to EML's liability are set out in the Terms and Conditions.

##### **Foreign exchange fluctuations**

When you load and/or allocate money across currencies, you are exposed to, and take the risk of, foreign exchange fluctuations across these various currencies. For instance, if you were to hold US dollars in your Travelex Money Card (which was loaded at the prevailing exchange rate on the day of loading), then over time, the NZ dollar equivalent of this US dollar amount may be less than, or more than, the original NZ dollar amount.

When you use your Travelex Money Card around the world, cash is disbursed in the local currency. If the local currency is not one of the currencies loaded on your Travelex Money Card, or is one of the currencies loaded on your Travelex Money Card but the balance of that currency is insufficient for the transaction, the default order of priority of your available currency balances will apply (see below under "Default order of priority"). This means that you are exposed to, and take the risk of, exchange rate fluctuations.

#### Service availability

In some circumstances, there is a risk that ATM or POS services may not be available for a period of time. The operation of your Travelex Money Card is dependent upon the reliability and operational processes of technology and communications providers, with respect to computer and telecommunications networks. While all parties seek to achieve 100% availability, process and service disruptions may occur.

The Travelex Money Card is for electronic use only and must not be used for manual (e.g. imprinters or click-clack machines) or offline transactions (e.g. an in-flight or cruise ship transaction that will not be completed until the flight has landed or the cruise ship has docked).

#### Reliance on Mastercard

EML's ability to offer the Travelex Money Card is entirely dependent on its contractual arrangements with Mastercard, which enable EML to offer the Cards and permit holders to obtain cash from Mastercard ATMs around the world.

Mastercard has certain rights, as set out in the Mastercard rules (available at [www.mastercard.us/en-us/business/overview/support/rules.html](http://www.mastercard.us/en-us/business/overview/support/rules.html)), to terminate EML's membership of Mastercard. If the arrangements with Mastercard were to end, EML would no longer be able to offer the Travelex Money Card and holders would not be able to withdraw cash using their Cards from ATMs, and would be required to obtain their money directly from EML through a Cash Out.

#### Loading large amounts of money

The risks associated with the Travelex Money Card may be increased by loading large amounts of money onto your Travelex Money Card as no interest is payable on that money and foreign exchange rate fluctuations (as described above) will have a greater impact the larger the amounts loaded onto your Travelex Money Card.

#### How the Travelex Money Card works

##### Managing your money

Once your Travelex Money Card has been activated and you have registered online through "My Account" at [www.travelex.co.nz](http://www.travelex.co.nz), you can load money, check your balance, allocate your money across different currencies (fees apply, see "Fees and charges" below), and view your recent transactions online.

##### Loading money

Before you can use your Card to make purchases or withdraw cash, you will need to load money onto your Travelex Money Card. There are currently a number of ways that you can load money onto your Travelex Money Card. You can load money onto your Travelex Money Card at any Distribution Outlet in New Zealand when you present your valid photo ID; online by visiting [www.travelex.co.nz](http://www.travelex.co.nz); or you can also make a Bill Payment. Please visit [www.travelex.co.nz/stores](http://www.travelex.co.nz/stores) for a list of current Distribution Outlets. Your Travelex Money Card can be loaded in the available currencies as often as you like subject to the limits set out below under "Limits".

To perform a **Bill Payment**, go to your internet banking website and choose to make a Bill Payment using the following details:

Paying Form	ANZ Account	Non ANZ Account
Biller	<b>CASH PASSPORT</b> (If you can't find Cash Passport, please contact your bank)	
Particulars field	Enter the first 6 digits of your Card number	Leave blank
Code field	Leave blank	Enter the first 6 digits of your Card number
Reference field	Enter the last 10 digits of your Card number	Enter the last 10 digits of your Card number

A Bill Payment will generally take two (2) business days to be processed. However, it may take longer if the payment is made after 2pm (New Zealand standard time). Load times may vary between financial institutions including when your transfer is initiated outside business hours or prior to or during a weekend or public holiday. Bill Payments must be made using New Zealand dollars from a New Zealand bank account. If it becomes possible to load money onto your Travelex Money Card in some other way in the future, this will be notified to you and described at [www.travelex.co.nz](http://www.travelex.co.nz).

#### Reloading money

Your Travelex Money Card is reloadable, which means that money can be loaded multiple times onto your Travelex Money Card within the applicable limits. If you want to use your Travelex Money Card again, you can reload it when you are overseas or load more money onto your Travelex Money Card for your next trip.

#### Withdrawing money

If you have money left on your Travelex Money Card at the end of your travels, you can withdraw your remaining balance in New Zealand dollars or you can transfer your remaining balance to New Zealand dollars and spend domestically using Travelex Money Card.

#### Available currencies

Using New Zealand dollars, you can purchase and hold multiple currencies in your Travelex Money Card which can be accessed using your Card. Each currency that you purchase when loading your Travelex Money Card will be held in a distinct currency balance. The currencies that are available are New Zealand dollars ("NZD"), Australian dollars ("AUD"), United States dollars ("USD"), Euros ("EUR"), Great British pounds ("GBP"), Japanese yen ("JPY"), Canadian dollars ("CAD"), Hong Kong dollars ("HKD") and Singapore dollars ("SGD"). The available currencies may change from time to time.

As the Travelex Money Card is a multi-currency payment facility, it is set up so that you can fully utilise your entire balance to fund a transaction. This means that where you do not have money available in the currency of the transaction, either because it is not an available currency, or because you do not have a sufficient balance in the relevant currency, your Travelex Money Card will use the balances of your other loaded currencies in the default order of priority to fund the transaction.

#### Default currency

Money that you load onto your Travelex Money Card via Bill Payment will be allocated to your current default currency at the time the payment is processed (and will be converted to that default currency if the default currency is not New Zealand dollars). The default currency will initially be New Zealand dollars, however you can change your default currency at [www.travelex.co.nz](http://www.travelex.co.nz). Please note that you can only have one default currency at a time.

#### Default order of priority

Your Travelex Money Card will first take money from the relevant currency balance that the transaction is denominated in, i.e. if the transaction in question is in US dollars, your Travelex Money Card will first look to see if you have a sufficient US dollar balance and, if not, will then work its way through the other currency balances in the default order of priority until the transaction amount is able to be satisfied in full. The default order of priority is set out below. The default order of priority may change from time to time.

1	2	3	4	5	6	7	8	9
NZD	AUD	USD	GBP	EUR	CAD	HKD	SGD	JPY

If there is insufficient money in all currencies in your Travelex Money Card, the transaction may not be completed. Further details on the application of the default order of priority are set out in the Terms and Conditions.

#### Limits

There are limits that apply to the use of your Travelex Money Card. These limits are set out below but may be altered by EML from time to time pursuant to the Terms and Conditions.

The amounts withdrawn or used for purchases using your Travelex Money Card may be limited by the ATM operator, merchant, or regional regulatory limits as relevant.

### Fees and charges

In addition to the currency exchange rates, the following fees and charges apply to the Travelex Money Card. The fees and charges may be altered by EML at its discretion by providing you with at least 20 days prior notice.

Type of transaction	Limit
Initial Card fee and Distribution Outlet reload fee Charged at the time of purchase/Distribution Outlet reload. This fee is set and charged by the Distribution Outlet from which you purchased the Travelex Money Card.	Load/reload in NZ: the greater of 1.0% of the initial load/reload amount or NZD\$10.00. Load/reload in other currencies: zero. For example, for a Distribution Outlet charging a 1.0% initial load fee, if you purchase a Travelex Money Card and load NZD\$800, you would be charged (NZD\$800 x 1.0%=NZD\$8), unless a minimum fee of NZD\$10 applies.
Replacement Card fee	FREE
Bill Payment reload fee This fee is set and charged by Mastercard Prepaid Management Services	1.00%
Additional Card	NZD\$5.00
International ATM withdrawal fee (outside New Zealand)	FREE*
Domestic ATM withdrawal & POS transaction fee	2.95%
Cash over the counter fee (where cash is obtained over the counter)	FREE

Monthly inactivity fee Charged at the start of each month if you have not made any transactions in the previous 12 months Unless your Travelex Money Card is used again, or reloaded, this fee applies each month until the Travelex Money Card is closed or the remaining balance is less than the inactivity fee	NZD\$4.00 PER MONTH
24/7 Travelex Money Global Emergency Assistance	FREE
Travelex Money Card closure fee (Cash Out fee) Charged when you close or Cash Out your Travelex Money Card. This fee is set and charged by Mastercard Prepaid Management Services	NZD\$10.00
Currency to currency foreign exchange rate This is applied when you move your funds from one currency to another currency, or when you request a Cash Out to close your Travelex Money Card and you have funds in a foreign currency	At the then applicable retail foreign exchange rate determined by us. This rate reflects Mastercard Prepaid Management Services' cost price plus a margin determined by Mastercard Prepaid Management Services. We will notify you of the rate that will apply at the time you allocate your funds from one currency to another and this rate (inclusive of the margin) may be less favourable than the foreign exchange rate for online reloads where you allocate funds in a foreign currency.
Currency conversion fee Applied when a purchase or ATM withdrawal is conducted in a currency either not loaded or not sufficient to complete the transaction and the cost is allocated against the currency/ies used to fund the transaction	Mastercard® rate plus 4.00% of the transaction value. The Mastercard rate is the exchange rate determined by Mastercard to be their wholesale rate or the government mandated rate in effect in the day the transaction is processed by Mastercard.
Bill Payment reloads where your default currency is not NZD	At the then applicable retail foreign exchange rate determined by us at the time we load the funds onto the relevant currency.
Online reloads where you allocate funds in a foreign currency (i.e. a currency that is not NZ dollars)	At the then applicable retail foreign exchange rate determined by us. This rate reflects Mastercard Prepaid Management Services' cost price plus a margin determined by Mastercard Prepaid Management Services. For online reloads we will notify you of the rate that will apply at the time you book your transaction (further terms and conditions apply and will be provided to you at that time).

\*Some ATM operators may charge an additional withdrawal fee

### Important Information about Fees & Limits for loads/reloads made online:

If you load or reload your Travelex Money Card online at [www.travelex.co.nz](http://www.travelex.co.nz), the fees, charges and limits may differ from (but shall not be greater than) those detailed above under "Limits" and "Fees and charges". You will be notified of any additional fees, charges or limits which may apply when you load or reload your Travelex Money Card online. You may also be charged a card surcharge if you pay with a credit or debit card. Please refer to the relevant online terms and conditions available at [www.travelex.co.nz](http://www.travelex.co.nz) for details of the applicable fees and limits.

NZ\$ cannot be loaded or reloaded onto a Card online via [www.travelex.co.nz](http://www.travelex.co.nz).

**Important information about different transactions**

A foreign exchange margin applies to the transaction amount if the Card is used for withdrawals in any currency other than a currency available on your Travelex Money Card. The applicable margin applied to the converted currency transaction amount is 4.00%.

Where you do not have a balance in the currency of the transaction, your Travelex Money Card will be debited according to the default order of priority (described above). In addition, we will debit the balance of each currency in this order until the relevant transaction amount has been satisfied.

**Currency conversion fees**

Whenever a transaction using your Travelex Money Card results in a foreign exchange transaction (including loading money onto your Travelex Money Card that you wish to hold in a non-NZ dollar currency), a currency exchange rate will be applied. A foreign exchange transaction will occur where money is loaded onto your Travelex Money Card in a foreign currency, allocated by you from one currency to a different currency on your Travelex Money Card (through [www.travelex.co.nz](http://www.travelex.co.nz)), converted to NZ dollars on closing your Travelex Money Card or converted by EML according to the default order of priority in order for EML to satisfy any negative balance or fees owing to EML. The currency exchange rate (including a margin) used for this is set and determined by Mastercard Prepaid Management Services. The currency exchange rate varies each day and will be notified to you at the time.

Otherwise, where money is withdrawn or used for purchase transactions in a currency which is not supported by the Travelex Money Card, or where money is allocated by EML from one currency to a different currency as a result of a purchase or withdrawal transaction, the currency exchange rate used consists of the rate determined by Mastercard® to be the wholesale rate in effect on the day the transaction is processed.

**Example of Foreign Exchange Margin for a Travelex Money Card loaded with NZ Dollars only:**

Suppose you make a withdrawal from an ATM outside New Zealand (in Brazil) for Brazilian Real BRL50.00 and the prevailing exchange rate, set by Mastercard, is BRL1.00=NZD\$1.34. Before the foreign exchange margin applies, this would equate to NZD\$67.00 (BRL50.00 x \$1.34) that would be deducted from your balance. After the foreign exchange margin of NZD\$2.68 is applied (NZD\$67.00 x 4.00%), this would equate to NZD\$69.68 (NZD\$67.00 + NZD\$2.68) that would be deducted from your balance.

**Expiry of Travelex Money Card**

Your Card has an expiry date which is printed on the front side of your Card. You cannot access money loaded onto your Travelex Money Card by using your Card, or use your Card, after the expiry date unless you request a replacement Card, activate it and transfer the balance to that Card to access money loaded on to your Travelex Money Card. However, you will still be able to obtain your money loaded onto your Travelex Money Card from EML through a Cash Out.

**Other important features of the Travelex Money Card**

**Trust Deed**

The Travelex Money Card is subject to a Trust Deed between EML and the Supervisor. The Trust Deed contains a number of standard provisions, including provisions relating to:

- the role of the Supervisor and the powers and duties of the Supervisor;
- the process for replacement of the Supervisor;
- the right of the Supervisor to be indemnified; and
- the process for amending the Trust Deed.

The Trust Deed also contains events of review and events of default (see clauses 10 and 11 of the Trust Deed). They include a failure by EML to make a payment on the Travelex Money Card, a breach by EML of a material provision in the Trust Deed, and also insolvency-type events that affect EML.

If any event of review occurs, the Supervisor has certain rights to allow the board of EML to explain how it will rectify the matters giving rise to the event of review. If the Supervisor is not satisfied that EML's explanation will rectify the matters giving rise to the event of review, the Supervisor may give directions to EML prohibiting EML from accepting new holders or accepting any payment from an existing holder that would increase the balance of their Travelex Money Card.

If any event of default occurs, the Supervisor may at its option, and must upon being directed to do so by a special resolution of all holders of prepaid card programmes issued by EML (including holders of the Travelex Money Card), declare the amount standing to the credit of all Travelex Money Cards to be immediately due and payable.

**Trust Account arrangements**

EML has established a Trust Account with ANZ Bank New Zealand Limited in connection with the operation of its Mastercard branded prepaid cards business (including the Travelex Money Card).

If the Trust Account arrangements operate as intended, the amount held on trust for the benefit of holders of Mastercard branded prepaid cards issued by EML in New Zealand should always be sufficient to discharge EML's liabilities to those holders.

**Ranking**

The Travelex Money Card constitutes unsecured, unsubordinated obligations of EML. On a liquidation of EML, amounts owing to holders of a Travelex Money Card rank equally with all other unsecured, unsubordinated obligations of EML.

The ranking of the Travelex Money Card on a liquidation of EML is summarised in a diagram similar to the below diagram which is available to view on the Travelex Money Card offer page on the Disclose register at [www.companiesoffice.govt.nz/disclose](http://www.companiesoffice.govt.nz/disclose). All amounts specified in the diagram are in Australian dollars.

	Ranking	Liabilities	Indicative amount of existing liabilities and equity of EML
<b>Higher ranking/earlier priority</b>			
↑ ↓	Liabilities that rank in priority to the Travelex Money Card on the liquidation of EML	Secured creditors and creditors preferred by law	A ranking diagram, including indicative amounts based on the financial position of EML at its most recent balance date (or a more recent stated date), is incorporated by reference into this document and is available online on the Travelex Money Card offer page on the Disclose register at <a href="http://www.companiesoffice.govt.nz/disclose">www.companiesoffice.govt.nz/disclose</a> . All amounts specified in the diagram are in Australian dollars.
	Liabilities that rank equally with the Travelex Money Card on the liquidation of EML	Unsubordinated obligations and all other unsecured obligations (such as trade and general creditors and holders of other prepaid card facilities issued by EML)	
	Liabilities that rank below the Travelex Money Card on the liquidation of EML	Subordinated debt (if any – as at the date of this PDS, there is none)	
	Equity		
<b>Lower ranking/later priority</b>			

Apart from the Trust Account arrangements described above, there are no limitations on EML's ability to create further liabilities in the Trust Deed or otherwise that rank equally with, or in priority to, the Travelex Money Card in a liquidation of EML.

## 7. Risks of investing

This section 7 describes risks associated with the Travelex Money Card. This section describes certain:

- General risks associated with EML; and
- Specific risks relating to EML's creditworthiness.

### General risks

Holders of the Travelex Money Card are subject to the general risk that EML could become insolvent, or be placed into receivership, administration, or liquidation, or be wound up, dissolved or reorganised, or be otherwise unable to meet its obligations in relation to the Travelex Money Card.

In the event of the insolvency of EML, including a liquidation of EML involving a shortfall of money, your rights and claims as a holder of the Travelex Money Card will rank equally with other holders of the Travelex Money Card and equally amongst the rights and claims of holders of equal ranking obligations, but after all creditors preferred by law. In the event of insolvency, there may be a shortfall of money to pay all amounts ranking ahead of, and equally with, the Travelex Money Cards. If such an event of insolvency occurs this would result in holders of the Travelex Money Card not receiving repayment of the balance of their Travelex Money Card.

### Specific risks relating to EML's creditworthiness

The circumstances that EML is aware of that exist or are likely to arise that significantly increase the risk that EML may default on any of its payment obligations under the Travelex Money Card are set out below.

### Trust Account arrangements

Money loaded onto your Travelex Money Card is not paid directly into the Trust Account. Rather, the extent to which sufficient money is properly held in the Trust Account (described above in section 5 of this PDS (Key features of the Travelex Money Card)) is dependent on EML's continued performance of its obligations under the Trust Account arrangements. EML is also dependent on certain third party service providers, such as Mastercard Prepaid Management Services, for the operation of the Trust Account arrangements, the risks of which are outlined below.

Although EML has declared a trust over the money in the Trust Account in favour of holders of Mastercard branded prepaid cards issued by EML in New Zealand (including the Travelex Money Card), it is possible that the effectiveness of this declaration could be challenged (for instance, by a liquidator of EML if EML was insolvent), and a court may not recognise the trust. In addition, it is possible that money is not paid into the Trust Account when required, or is withdrawn in circumstances that are not permitted.

If the Trust Account arrangements are not effective or do not operate as intended and in the unlikely event that EML becomes insolvent, holders of the Travelex Money Card will not benefit from the Trust Account arrangements and their only recourse would be to claim as unsecured creditors in EML's liquidation along with all other creditors.

EML considers that the likelihood of the Trust Account arrangement not operating as intended is low. However, were EML to become insolvent, and the Trust Account arrangements were found to be ineffective, the impact on holders of the Travelex Money Card could be significant.

## Service providers

EML's business operations are reliant on third parties providing a range of services to it, in particular Mastercard Prepaid Management Services. EML depends upon Mastercard Prepaid Management Services to supply various services relating to the operation of the Travelex Money Card. These services include all payment transfer and ancillary services and systems which are necessary to process all transactions on the relevant cards, such as card design, production of terms and conditions and cardholder agreements, customer data, transaction processing, cardholder customer services and other related services.

If Mastercard Prepaid Management Services fails to pay amounts to EML when due, that in turn may mean EML is not able to meet its payment obligations, including amounts payable into the Trust Account as described above. In addition, if EML's arrangements with Mastercard Prepaid Management Services end, EML will not be able to offer the Travelex Money Card and you may not be able to withdraw cash from Mastercard ATMs using your Travelex Money Card, but you will be able to obtain your money directly from EML through a Cash Out. EML has no reason to believe that Mastercard Prepaid Management Services will not perform its contractual obligations with EML. However, if Mastercard Prepaid Management Services failed to discharge its obligations to EML, the impact on holders of the Travelex Money Card could be significant.

## 8. Tax

There may be tax consequences from acquiring or disposing of your Travelex Money Card. If you have any questions relating to the tax consequences of the Travelex Money Card, you should obtain professional advice on those consequences.

## 9. No reliance

This PDS does not constitute a recommendation by the Supervisor, Mastercard Prepaid Management Services or any of their respective directors, officers, employees, agents or advisers to apply for a Travelex Money Card.

You must make your own independent investigation and assessment of the financial condition and affairs of EML before deciding whether or not to apply for or load/reload your Travelex Money Card.
